SUMMARY OF THE REASONS FOR DECISION:

The publication entitled *Jeff Stryker's Underground*, also known as *Jeff Strykers Underground* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a DVD version of the video recording of the same title classified by the Office of Film and Literature Classification as 'objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years', with the descriptive note 'Contains explicit sex scenes.' This decision was registered on 18 November 1998.

The DVD contains the feature and a number of additional components, including still photographs of the participants, a biography of Jeff Stryker, a scene selection facility and a facility for viewing components in sequence. However, these additional components do not affect the classification given to the video recording.
